Re: SBC Comments in CC Docket No. 01-321

Dear Chris:

In SBC's January 22, 2002, comments in CC Docket 01-321, the company asserted that SBC "has negotiated special access performance plans with ... Cable & Wireless [and others], which are tailored specifically to their needs." SBC Comments at 12-13. I have consulted with my client, Cable & Wireless USA, Inc., regarding this statement. However, my client states that it is not aware of any "performance plan" that it has entered into with SBC. On behalf of Cable & Wireless, please provide me with a copy of the special access performance plan referenced in your comments.

Sincerely,

Steven A. Augustino
Counsel to Cable & Wireless USA Inc.
